Storytelling @ Belmont Forum

Thank you to all those who attended the free storytelling session, hosted by the Belmont Early Years Group. The audience revisited the world of fiction with classic tales and children and parents alike were captivated by the stories.

The next storytelling session will be held on the 28th September from 10.30am – 11.30am in the centre dome near Progressive Supa IGA.

We hope to see you there!

Food Hamper Drive

Belmont Forum were happy to donate 70 enviro-bags to assist in a Food Drive organised by Airport City Church. The bags will be filled with fundamentals, such as flour, coffee and milk and distributed amongst community members who are homebound.

Free Baby Clinics

Belmont Forum has two Parenting Rooms facilities, located in the Food Court and the Progressive Supa IGA Mall. Both of the rooms have received 5 star accreditation from the Australian Breast Feeding Association for providing a high standard of facilities.

In addition to the existing facilities and information available to all mothers and fathers in the Parenting Rooms, Belmont Forum, with the support of Kids in Perth, has introduced regular Baby Clinics.

These clinics are hosted by trained early childhood nurses and offer parents free advice and support for their children.

The Clinics will be held in the Progressive Supa IGA Mall Parenting Room on the first Tuesday of each month between 9.30am and 1.30pm.

Parents can visit the Progressive Supa IGA Mall Parenting Room on any of the following dates, no appointment is necessary:

- Tuesday 7th September 2010

- Tuesday 5th October 2010
- Tuesday 2nd November 2010

School Sponsorships

School Sponsorships One of Belmont Forum's favourite community sponsorships is that of the local primary schools. Each month Belmont Forum visits a number of primary school assemblies in the local City of Belmont area. Students and classes are presented with awards for their fantastic efforts in their school programs and studies. Belmont Forum also proudly sponsors the newsletters produced by primary schools so that they can send vital school information home to parents on a regular basis. This is one of the many community initiatives run by Belmont Forum and demonstrates our loyal commitment to our surrounding community.
